### Renewal of Certificates

#### RENEWAL OF FIRST GRADE AND ELEMENTARY LIMITED CERTIFICATES

- A. Certificates issued prior to April 26, 1929, and that are renewable may be renewed under any one of the following conditions:
1. An applicant who has had the required experience (two years in Minnesota Public Schools) within the last five years—May have his certificate renewed for five years if, during the five-year period, eight quarter hours credit have been earned.
  2. An applicant who has not had the required experience (two years) within the last five years—May have his certificate renewed for two years if eight quarter hours credit have been earned during the last five-year period.
    - a. The two-year certificate can be renewed for three years when the teaching requirement (two years in Minnesota Public Schools) has been met, thus completing the five-year period.
    - b. If, during the life of the two-year certificate, the experience requirement (two years) is not met, another two-year certificate may be granted if eight quarter hours credit in addition to those required in I-A-1, have been earned.
- B. Certificates issued after April 26, 1929 and before May 20, 1939, may be renewed under one of the following conditions:
1. An applicant who has had the required one year of experience in Minnesota Public Schools on his two-year certificate—May have his certificate renewed for five years without additional training.
  2. An applicant who has not had the required one year of experience on his two-year certificate—May have his certificate renewed for two years if he has completed fifteen quarter hours of credit.
  3. The five-year certificate may be renewed for another five-year period provided the applicant has met the teaching requirement (two years in Minnesota Public Schools) and has earned fifteen quarter hours of credit.
  4. An applicant who has not had the required two years of experience on his five-year certificate—May have his certificate renewed for two years if he has completed fifteen quarter hours of credit. This two-year certificate is renewable in accordance with the provisions of I-B-1 and I-B-3.

- C. Certificates issued after May 20, 1939, may be renewed under the following conditions: The original issue of these certificates will be for two years. They may be renewed for two years upon evidence that eight quarter hours of credit have been earned.

NOTE: The above training must be taken at a state teachers college or other institution accredited for the training of elementary teachers. Not more than eight quarter hours of credit can be earned in approved correspondence courses.

# Special Features

## College War Organization and Activities

The St. Cloud State Teachers College is engaged in a program of cooperation with the Office of Civilian Defense, the United States Office of Education, the Minnesota State Teachers College Board, and other governmental authorities in expediting the national war program. A Faculty-Student Defense Council has been set up as a coordinating and planning unit, working through existing college groups in carrying out the war activities.

These war activities on the campus are considered an integral part of the college activity program. They will be continued throughout both summer sessions. Teachers wishing to learn how schools can utilize their facilities and resources in furthering the defense program will find these activities of particular help and interest.

### A. SPECIAL PRE-SERVICE COURSES

Selected courses have been included for the summer which will enable special training for those who expect to enter various branches of military service or the defense industries. This is particularly true of the fields of industrial arts, mathematics, physical education, business education, and science. Whenever enough students manifest an interest in additional courses, provision will be made to offer them.

## Camp Fire Leadership

An intensive course in Camp Fire Activities will be offered for one week during the first session.

## Camping Education

Types of camps, camp standards, program planning and cabin counselling will be studied, including courses in camp crafts. 2 credits.

## First Aid

This course will include the care of wounds, injuries to bones, joints and muscles, various types of dressings and bandages, common emergencies, transportation and care of injured.

## Home Nursing

A study of individual and community health, hygiene of the home, care of infant, pre-school and school child, and preventive measures. American Red Cross certificates issued. No credit.

## Refresher Courses

The "refresher courses" are planned for teachers who have been out of service and wish to return to teaching during the emergency and for those who wish an overview of the recent trends and newer methods in elementary education. The instruction will be organized on the "work-shop" plan.

A one-teacher school will be in session for observation and demonstration. Transportation to the school will be furnished to the students enrolled in these courses.

### EDUCATION 256—Methods of Education (Elementary Graded and Rural)

This course will be conducted for those who wish to become familiar with newer methods and materials for rural and elementary grades.

### EDUCATION 348—Reading Problems

Causes and remedial treatment of reading difficulties will be studied. Problems pertaining to both beginning and advanced readers will be included.

## School Nutrition

A course based upon the present war emergency situation related to feeding the school child. Special features include: The hot lunch, use of surplus commodities, nutrition, and child health. 1 credit.

## Speech 350—Teaching of Speech in Elementary Grades

Course to consider the oral language opportunities and difficulties present in the elementary grades. Reports, readings, demonstrations together with a source of usable materials will supplement the demonstration conducted in Riverview as a laboratory in creative speech activities. 2 credits.

## The Parent-Teacher Movement

Knowledge of the objectives, principles, procedure and publications. Organization of an effective association. 1 credit.

### **Health and Physical Fitness**

More than ever with the many responsibilities each person must assume there is need for attention to health and for opportunities for wholesome exercise.

Recognizing the increased need for personal physical fitness the college will retain its nurse and doctors for the health services. It will also arrange for hospitalization of students whenever necessary for not to exceed one week.

Special health courses such as Home Nursing, Nutrition, and First Aid will be offered to those interested in learning how to serve their communities more effectively during the emergency.

Physical fitness will also be stressed by urging students to participate in the many kinds of activities which facilities of the college provide. Among them are archery, badminton, handball, hiking, ping pong, shuffle board, swimming, tennis and others.

### **Entertainment**

The Committee has prepared a comprehensive entertainment program which includes:

Excellent music attractions

Nationally known lecturers

Special admission arrangements for feature pictures

Programs presented by student groups

The annual picnic, the summer festival, the all-college party, community sings, and stunt night, etc.

### **Extra-Curricular Activities**

Students will have the opportunity to participate in:

Chorus, band and orchestra

Debate, dramatics, journalism and speech

Intramural programs, games, and sports for both men and women

Parties, picnics, hikes, and camping

Lectures, concerts, and discussion groups.

### **Recreational Facilities**

Carol Hall with the new Student Union

The Alice M. Eastman Home, available to groups for teas, luncheons, dinners and parties

The Outdoor Theatre at College Woods

J. C. Brown Field for kittenball, soccer, and field hockey

Tennis Courts located on the Campus
